

WILD WEDNESDAY NEWSLETTER

Hello Parents/Guardians,

I hope you and your kid(s) are having an awesome summer. I know life has been crazy for all of us, and for those of with kids we all have tough decisions to make about school, sports, activities, and groups. To hopefully ease some of that stress, I have decided (with the support of the whole Wild Wednesday team, pastors, and Big Tree board) to move Wild Wednesday online for this upcoming school year.

It is so sad that we will all not be together in-person this year, but I do believe that God is still going to do great things in the lives of all of our families. Our Wild Wednesday team is determined to make this year engaging and exciting for your kid(s), and we believe that with your help it can be!

Our team is going to put together resources every week for you and your kids to keep them learning about Jesus in fun, creative ways. But we are asking you to engage with us and take the time to watch and interact with the content online. For some of you this might sound confusing or difficult, but please know we want to work with you and help you feel comfortable accessing the content and using it in your home.

The first step in all of this is to make sure we are putting out videos and lessons at a time that you and your kid(s) can be available to watch live with us.

So please, fill out the survey attached and submit it to us. It is completely anonymous, unless you choose to provide your information.

Thank you for your time and opinions. We greatly appreciate your support and allowing us the opportunity to share God's love with your children. Your family and children's' safety is our utmost concern and even though we will miss seeing your smiling faces, we are extremely blessed to have technology to stay connected!

Wild Wednesday Director,
Melissa Young
